ABOUT US

INDOMACH is one of India's premier 'B2B' Industrial Machinery and Engineering Trade Shows, dedicated to showcasing a wide spectrum of engineering products, machinery, tools, accessories, and technological solutions. The expo serves as a powerful business platform, connecting manufacturers, suppliers, and buyers across diverse industrial sectors. Our exhibitions primarily focus on engineering machinery, machine tools, automation and robotics, instrumentation and CNC technology, hand and power tools, material handling equipment, construction accessories, hydraulics and pneumatics, welding and safety equipment, as well as measuring instruments and laser technologies.

At INDOMACH, we are committed to helping our exhibitors and visitors grow their business, forge new partnerships, and maximize ROI through well-organized, high-impact events. We've successfully hosted editions in Nagpur, Hyderabad, and Jamshedpur, each delivering top-tier infrastructure, security, and logistical support, making INDOMACH a trusted name in India's industrial expo landscape.
